SINCE THE 1ST OF OCTOBER 2018, IT IS NOT ALLOWED TO DRIVE THROUGH THE HISTORICAL CENTRE OF THE TOWN WHERE OUR HOTEL IS LOCATED, SINCE THE CENTRE IS DESIGNATED AS PEDESTRIAN ZONE. PLEASE, PAY ATTENTION TO THIS MESSAGE! WE TAKE NO RESPONSIBILITY FOR OUR GUEST BREAKING THE LAW AND BEING FINED!

Directions:

HOW GET TO THE HOTEL IF YOU ARRIVE BY BUS:

The path from the main bus station "AUTOBUSOVÉ NÁDRAŽÍ" ("AN") to the hotel is much more comfortable than from the bus stop "ŠPIČÁK". It will take you about 10 minutes by walk to get from the main bus station to our hotel.

First, you have to keep to the left (if you are looking at the town.) There should be direction signs which lead to the town center. After climbing up a slight hill behind the station on the side towards the castle, you will get to the road and you will turn to the right then down the hill. Then you'll find yourself at a pedestrian crossing, opposite of which is a bowling club. You cross the road and keep going straight down into the town center.

You'll walk past the local town theatre on your right and as the road will get narrower, you'll cross a short stone bridge in front of you. Then you keep going straight until you find yourself on the main square. In the far right corner of the square is the "Radniční" street which leads down to a bridge towards the castle. Our hotel is situated roughly half-way down the street, on the left side, opposite the optician's "FOKUS OPTIK".

If you get lost, please, give us a call and we'll navigate you. - Reception phone: **+420 380 711 925**

HOW GET TO THE HOTEL IF YOU ARRIVE BY TRAIN:

Getting to the hotel from the train station is **more challenging, especially during bad weather**, and it takes at least 30 minutes on foot. Therefore, **we strongly recommend you to take a taxi**. It costs around **300,-CZK (11,40 €)**. But if you insist on walking, you can go right and keep walking down the main street, down the hill. After a while, you'll see a crosswalk. There, you will cross the road. You will see green railing on your left side. You will walk down again through the "Třída Míru" street, and this way you'll get to the parking place P1, where you will see the castle right in front of you. Keep walking to the castle, you'll cross a short wooden bridge first, then pass through a passage underneath the castle bridge. And then, on the left side, will be another wooden bridge, this time a longer and narrower one. You cross. And then, the last, short, wooden bridge awaits to be crossed, you do it and after that you turn left. At the end of the street you'll turn right into the "Radniční" street and walk up the street towards the main square. Roughly half-way up the street is our hotel, opposite the optician's "FOKUS OPTIK".

If you get lost, please, give us a call and we'll navigate you. - Reception phone: **+420 380 711 925**
